## Kindergarten Teacher Wins New Bob Tomes Ford Hybrid

WEDNESDAY, 02 JUNE 2010 18:23 ADMINISTRATOR

### CHECKOUT TOP VIDEO

McKINNEY, Texas - Tonna Evans, a McKinney ISD, kindergarten teacher at Vega Elementary School, drove off in her new Ford Fusion Hybrid Wednesday afternoon, after winning the McKinney Education Foundation 2010 car raffle last Friday evening.

Bob Tomes, of Bob Tomes Ford Lincoln Mercury, handed Ms. Evans her new keys to her new Ford Fusion that was wrapped in a bow. Tomes as he presented the keys to Ms. Evans, explained to her young Vega Elementary school students, "that someday when they are McKinney seniors they could be the winners themselves of scholarships from the McKinney Education Foundation."

"The young women and men of the McKinney ISD Class of 2010, will someday be the future community and business leaders of McKinney and Collin County. Being a part of the McKinney Education Foundation is an honor that is shared by Barbara and I and all the employees of Bob Tomes Ford Lincoln Mercury", commented Tomes.
